

The image features a dark, textured background. In the upper half, there is a large, stylized letter 'E' formed by thick, black, irregular lines. The interior of the 'E' is filled with torn pieces of paper in shades of cream, light brown, and dark brown, creating a layered, collage-like effect. At the bottom, the text 'El feixisme pretén empresonar Espanya' is written in a cursive, red-orange script.
